TO THE MEMBERS OF THE 1962-1963 TRACK SQUAD -

It is our good fortune to have obtained an ideal place for indoor workouts for this fall and winter. Last year, as many of you know, we had no place of our own and the Golden Field House involved much time in traveling. This year we will be training in the Western Stock Yard Arena on 46th Ave. It is a completely enclosed arena and has a dirt floor that will give us a 180 yard lap. It is only a 10 min. drive from the University. The following procedures will be followed starting next Monday, November 19th:

1. Everyone is to be dressed by 1:45PM, and ready to go.
2. Spikes will be required by everyone, everyday.
3. The following men will drive their cars; the coach, Matthews, Gourkamp, James, Bibler, Carvacho, Wilmore, Weller and Maris Laipenieks. It will be the responsibility of each man to make traveling arrangements with the above men. (The gas for the cars is furnished by the University).
4. The complete workout schedule will be on the bulletin board. Be sure and check it regularly for the days that we will travel to the arena.
5. Those days we do not drive to the arena, we will warm-up here and lift weights from 2 until 4PM.

These boys on grants will be required to show up everyday if they expect to continue their grants. Those boys interested in performing well and earning a grant in the following year will be expected everyday also. With the facilities we have obtained we will be able to be in top shape by Feb. and March. Because we have so many fine meets scheduled and the season almost upon us it is important for us to work everyday as a unit.
